

Capt. Randy Seidel will take you boat or wade fishing on some of the most pristine bays in Texas. It doesn't matter if your preference is bait fishing or using artificial lures, Capt. Seidel is an expert at both. He can also teach you how to properly use your bait and improve your skills to catch bigger fish.

Capt. Seidel is a full-time professional guide who fishes the bays from Rockport to Baffin and he is constantly scouting the bays looking for fish and bait activity. Let his years of experience, quality equipment and knowledge of the bays work for you!

Exotic Game Hunting

Seidel Guide service provides exotic game hunting on the Golden G Ranch, located in Skidmore, Texas. We provide food, lodging and professional guided hunts for many species of exotic game, birds and whitetail deer.

Saltwater Fishing

Texas offers world class bay fishing every month of the year. Whether you prefer fly fishing, lure fishing or live bait fishing, this is the place. Here on the coast our "big three" species are Redfish, Flounder and Speckled Seatrout. It is not uncommon to catch dozens of these hard fighting fish each trip with a good possibility at scoring what locals label the "Texas Grand Slam", one or more of each species in one day. Aside from our "big three" there are so many other

species to catch that you never quite know what to expect. Depending on the time of year, you might find Tarpon, Bluefish, Black Drum, Ladyfish, Spanish Mackerel, Sheepshead, Jack Crevalle or Sharks bending your rod. And yes, there are those dreaded trash fish that we won't mention by name, but Capt. Seidel can teach you the proper techniques to focus on catching the "big three."
